

Don't be
Grinch!

The image features the phrase "Don't be Grinch!" in a stylized, festive font. The words "Don't be" are written in a white, elegant cursive script. The word "Grinch!" is in a bold, green, rounded font with a thick outline and a long, flowing tail. A red, torn-edge patch with a yellow letter 'A' is positioned between the two lines of text. A green shoe with a white sole and a grid pattern is integrated into the letter 'G' of "Grinch!". The entire design is decorated with several white starburst and dot motifs on a dark background.
